**Families InFocus (Essex) would like to invite you to a FREE SEN INFORMATION SESSION for Essex Parent Carers.**

These are short relaxed sessions especially for Parent Carers to give you **Education, Health and Care Plan (EHCP)** information, resources and contacts to help you make the right choices for your Son/Daughter. The sessions are written, planned and delivered by a Parent Carer from within the trained Independent Support Team – 

Families InFocus (Essex) is proud to be the key delivery partner within the Independent Support Project for Essex. We hope you find these sessions useful in helping you plan for your Son/Daughter (or Young person you look after) with Special Educational Needs or Disabilities.
